

RELIABLE SOURCES

YOUR GUIDE TO IMMUNIZATION INFORMATION

American Academy of Pediatrics (AAP)

www.aap.org/immunization

AAP's childhood immunization website contains information for parents and clinicians.

Centers for Disease Control and Prevention (CDC)

www.cdc.gov/vaccines

The information on this website ranges from official vaccine recommendations for health care professionals to information for the general public about vaccines.

CDC-INFO Contact Center

A toll-free number for the general public and health care professionals who have questions about immunization and vaccine-preventable diseases. Call (800) CDC-INFO or (800)232-4636. The center operates 24/7 in English & Spanish. TTY: (888) 232-6348

Every Child by Two (ECBT)

www.ecbt.org & www.vaccinateyourbaby.org

ECBT has created these two websites. Each contains a broad array of educational materials and information about vaccines, their safety, vaccine research and science, vaccine misperceptions, and many other topics to help clinicians and parents.

Immunization Action Coalition (IAC)

www.immunize.org & www.vaccineinformation.org

IAC is a nonprofit organization that promotes immunization for everyone against vaccine-preventable diseases. These websites offer educational materials, photos, and video clips for parents, health care professionals, the media and the general public.

National Network for Immunization Information (NNii)

www.immunizationinfo.org

NNii provides current, science-based, extensively reviewed information to health care professionals, the media, policy makers and the public.

Parents of Kids with Infectious Diseases (PKIDS)

www.PKIDS.org

This pediatric organization works with many national groups to encourage global childhood immunizations, research to find cures for hepatitis B and C and HIV, and elimination of fear of those living with these diseases through education.

U.S. Dept. of Health and Human Services (HHS)

www.vaccines.gov

This federal gateway provides information on vaccines and immunizations for infants, children, teenagers, adults and seniors.

Helping families keep children safe.
